

CERT 2011 NOVEMBER 18, 19 & 20

City of Ingleside – Office of Emergency Management

Office of Emergency Management (OEM) provides planning, training, exercises, and educational outreach programs related to natural and man-made disasters to assist and prepare citizens, government agencies, and private/non-profit organizations prior to, during and after a local emergency or disaster.

Community Emergency Response Training (CERT) – The course is approximately 20 hours of hands-on training for individuals to learn more in-depth skills in order to be self-sufficient prior to, during and after a disaster occurs. Individuals will learn skills in team building, disaster psychology, terrorism, fire safety, disaster medical, light search and rescue and other information. The 3 day session will end with a simulated disaster exercise so participants can put their newly acquired skills to work.

Upon completion of the 3 day session, individuals who make a commitment to Ingleside CERT will receive a backpack with initial supplies to get them started with their individual planning efforts. **FREE TO THE PUBLIC.**

SEATING IS LIMITED TO 25, SO REGISTER EARLY.
