

Request for City Council for the City of Ingleside, Texas

Subject: PROPOSED 2014 STREET IMPROVEMENT PROJECT

Submitted By: Donald Paty, Director of Public Works

For The Agenda of: June 10, 2014

Attachments:

1. List of streets approved by City Council for 2014 street improvement project
2. Copy of advertisements for bids for construction services and materials
3. Bid received from Clark Construction of San Antonio, Texas

Summary Statement: Requests for proposals for construction services and for materials were published in the Coastal Bend Herald on 5/15/14 and 5/22/14 and the same requests were posted on the city website from 5/15/14 until 5/29/14.

The only proposal received for construction services (asphalt two-course) was from Clark Construction of San Antonio, Texas.

No proposals were received for the materials (limestone base) portion of the project.

Recommended Action: Staff recommends that the Council decline the proposal received from Clark Construction and republish both of the requests for proposals (construction and materials) in an effort to receive bids for the materials portion of the project.

Request for Bids to Provide Materials

The City of Ingleside is soliciting proposals from Texas-registered companies to provide materials necessary for maintenance of existing streets within the city of Ingleside.

Specifications are as follows: Approximately one thousand, four hundred, and sixty three tons (1,463) of limestone base material to be delivered in increments to specified sites as scheduled.

Proposals and qualifications for these services will be accepted until ten o'clock am (10:00 am) on Thursday, May 29, 2014 at Ingleside City Hall at 2671 San Angelo, Ingleside, TX 78362-0400.

The City is an Affirmative Action/Equal Opportunity Employer; Small, Minority, and Woman-Owned Firms are encouraged to submit proposals.

We reserve the right to negotiate with all firms submitting proposals per the Texas Professional Services Procurement Act and reject any or all submittals.

Additional submission requirements are available by calling Donald Paty, Director of Public Works at (361) 776-7409.

Request for Proposals and Qualifications
Construction Services

The City of Ingleside is soliciting proposals and qualifications from Texas-registered construction companies to provide services necessary to perform a two (2) course overlay of approximately one hundred and four thousand, eight hundred and twelve square feet (104,812 sq. ft.) of existing streets within the city of Ingleside.

Specifications are as follows: AC-5 at .50 gallon per square yard, GR 3 pre-coat aggregate at 1 cubic yard per 90 square yards, and GR 4 pre-coat aggregate at 1 cubic yard per 100 square yards.

Proposals and qualifications for these services will be accepted until ten o'clock am (10:00 am) on Thursday, May 29, 2014 at Ingleside City Hall at 2671 San Angelo, Ingleside, TX 78362-0400.

The City is an Affirmative Action/Equal Opportunity Employer - Small, Minority, and Woman-Owned Firms are encouraged to submit proposals.

We reserve the right to negotiate with all firms submitting proposals per the Texas Professional Services Procurement Act and reject any or all submittals.

Additional submission requirements are available by calling Donald Paty, Director of Public Works at (361) 776-7409.
