Chapter 22-Business Regulations-Article IX-Pipeline

Plans and specification for the work to be done.

Include: Three official scaled city street maps, as currently revised by the city, upon which the owner shall fully delineate the area within the city's corporate limits traversed by the existing or proposed pipeline, with the route, distance and shutoff valve locations clearly and indelibly drawn thereon.

Insurance: surety bond

1. Public liability insurance certificate covering all operations in the city limits, in bodily injury limits not less than \$1,000,000.00 for each person and \$1,000,000.00 for each accident, and property damage limits of not less than \$1,000,000.00 for each accident and \$1,000,000.00 umbrella insurance coverage. The city shall be named as an additional insured and a certificate of insurance evidencing the city as an additional insured,
2. Surety bond in the sum of \$75,000.00, payable to the city, executed by the applicant as principal and by a surety company as surety, acceptable to the city, conditioned that the applicant and surety will pay all unrepaired damages, if any, caused by the applicant in the movement of pipeline equipment, pipe, tools, tanks, machinery and supplies over city streets and public ways to and from the site.

**** IF PLANS NEED TO BE REVIEWED BY CITY ENGINEER OR CONSULTING ENGINEER, AMOUNT WILL BE ADDED TO THIS FEE ****

Description	Amount	Quantity
Application Fee	\$1,000.00	
Number of street or drainage ditch crossing:	\$250. 00 each	
Pipeline located in City of Ingleside
