

INGLESIDE POLICE DEPARTMENT

Police Chief Tammy Burr

October 17, 2022

To All of Our Community Organizations, Corporate, and Business Partners,

Operation Blue Santa is back for its 4th consecutive year in the City of Ingleside.

The mission of Operation Blue Santa is to identify and assist local children who need it most during the holiday season. This is achieved through the goodwill and support of the Ingleside community. Over the past three years Blue Santa has been able to deliver thousands of gifts and create positive experiences with hundreds of Ingleside children through this program.

In 2019, the Ingleside Police Department introduced Operation Blue Santa to the citizens of Ingleside. With the help of officers, volunteers, staff, and community members, the program has grown to be a huge success.

Donations that will assist Operation Blue Santa include monetary donations, new unwrapped toys, books, board games, dolls, building sets, educational items, action figures, gift cards, bicycles, tricycles, and other items for kids 0-16 years of age. We will also accept tissue paper, tape, wrapping paper, new clothing, new blankets, non-perishable food, and any other items that families may need.

We believe Operation Blue Santa is a wonderful way to reach out to children and families in our community. To be successful, we need all the community organizations, corporate, and business partners in our community to get involved.

Monetary contributions in the form of a check or money order should be made payable to:

City of Ingleside – Operation Blue Santa

Contributions can be mailed or dropped off at:
